

## **BIOMAG 2012 – 18th International Conference on Biomagnetism**

**August 26<sup>th</sup> - 30<sup>th</sup>, 2012 – Paris, France**

### **Instructions for Posters**

The poster-board surface area is 1.8 m (6') high and 0.95 m (3') wide. Prepare a 20 cm (6") high headline strip that runs the full width of the poster. Include the title, authors, and affiliations on the strip in letters not less than 3 cm (1") high. Remember to leave space on the board for colleagues to leave notes and include an email address for viewers to contact you later.

Posters should be readable by viewers 1 meter (3') away. Use large print and shade or color block letters when possible. A minimum font size of 28 point and a maximum of 600 words are recommended. The message should be clear and understandable without oral explanation.

Posters will be located in Rooms 8 and 101. Each poster board is marked with a unique posterboard number. You will find your poster session day and your posterboard number on the BioMag 2012 web site shortly.

You are requested to be present in front of your poster between 1:30PM to 3PM.

You are responsible for transporting your poster to the conference and setting it up. There are no printing facilities onsite.

Velcro tape will be available to affix your poster to the poster board. Technical help will be available at the entrance of room 8 from 8am to 10am. Pushpins and regular tape are NOT allowed.

Posters setup time: 8am-9am

Additionally, you are responsible for removing your poster from the exhibit space between 6pm and 7pm. BioMag is not responsible for posters remaining in the exhibition area once the poster session closes.
